December 13

Awesome Arts Festival

6:30-8:30pm

**Viscount Alexander School
55 Mann**

Beatboxing, hip hop dancing, theatre, music videos...this is just part of what's in store for you at the Awesome Arts Festival.

After working hard on your theatre skits, slam poems, drum solos and animation videos, you get to show them your community. This is a perfect opportunity to share what you have to say. Like your own Canada's Got Talent show, it's your turn to shine on the stage.

But it's not all hard work. You also get to sit back and watch the show. Not only will you see your friends, brothers and sisters perform but you get to see award-winning animation videos, performers beatboxing, hip hop dancing and more!

The evening is always a big hit with great music, food and entertainment. Bring your friends and family to this free, fun event!

2012 marks One World Arts' fifth annual Awesome Arts program and festival in Ottawa. This year, we are pleased to have the Sandy Hill Community Health Centre as our community partner!

Based on our past successful programs, this year's One World Awesome Arts program and festival aims to raise awareness about global issues through the arts.

Numerous local artists and instructors have been carefully selected to provide dynamic and fun workshops.
